

In Memoriam Fr Jerome Bertram, F.S.A.

Transactions of the Monumental Brass Society

The 2020 *Transactions of the Monumental Brass Society* will be a memorial issue for a much loved, much missed and highly respected antiquarian, scholar and friend. A long-serving parish priest of the Oratory, Oxford and a vice-president of the Monumental Brass Society, Fr Jerome’s final years were a remarkable Indian summer of scholarship and productivity. This issue will contain reviews of his surveys of Oxfordshire and Sussex brasses (both published in 2019), and also two important articles by him. One examines the Tournai trade and his final work, a study of the brass of John Waltham, bishop of Salisbury (d. 1395), in the Confessor’s Chapel, Westminster Abbey.
