

‘CHRISTMAS LOCKDOWN’ OFFERS (2020)

To celebrate the publication of the collected essays of Hugh Lawrence (*The English Church in the Thirteenth Century*, eds C. Barron and C. G. Daunton) at the bargain price of £24, and special offer £20, here are a few more bargains to go out with it for Christmas. The ‘Summer Lockdown’ prices on the Harlaxton and Rewley House series are also still available. I have more titles but have confined the list to forty.

I can take orders by telephone, email or post. Postage will have to be additional to these prices but at cost and I shall do what I can to combine volumes in cheaper parcels (the UK cost for second-class small parcels up to 2 kg in weight is £3.10 and it is often cheaper to send books separately as the price jumps to £8.99 between 2 and 5 kg. I occasionally use the courier Hermes for heavier parcels).
